Step 2: Repeat using the 10 ¼" sections cut from the same fabrics. These will be the two center vertical pieced rows.

Step 3: Layout vertical pieced strips with the 3 strips 6 ½" x length of fabric KD08 Saffron, as shown in as shown in the quilt photo. Please note: the strips of KD08 will be longer – so measure your pieced sections and cut the strips to that size. The top and the bottom of the quilt can always be evened up with your rotary cutter!!
